

# SOFiE Sort – GUI installation offer

U IT is a Luxembourgish RegTech company specialized in Legal Reporting. Since 2010, we supported more than 500 customers including 45 banks. Helped by this strong expertise, we provide with a quality and guaranteed service.

This present offer covers all the needs any new participant would express and which can be summarized by the following sentence : “We want to be in order toward the Luxembourg regulators, to understand what we have to achieve to do so and to master this new task in an efficient way”

## Context & requirements

SOFiE Sort in GUI mode is used by many companies which are requested to send reports on a regular basis to the Luxembourgish regulators.

The usual requirements are :

- A good understanding of the (new) task to be achieved and the wish to master it rapidly
- An help to send the first reports and a warranty to be helped during the months that follow
- An installation which is adapted to the IT infrastructure and the numbers of users
- A **fast delivery of the solution**

## Guarantees

U IT provides the following guarantees :

- Swiftness : **solution can be up & running in less than one week**
- Training : **we send your first reports** as a practical exercise **during the training session**
- **Follow up : we rapidly answer any of your requests during the month(s) that follow the installation**
- Advising : we advise you regarding the regulators in case of a delay in the delivery of reports

## Tasks performed

- All the technical steps to configure your SOFiE profile
- Act as SPOC for all the paperwork with Luxtrust, the House of Entrepreneurship and Worldline
- Create & fill the CSSF registration document + provide with precise instructions
- **Liaise with your IT and install the application as per to your environment and security standards**
- Grant training on SOFiE
- Backup the key SOFiE profile files (restore warranty – valid all the lifetime of the certificates)

## Future & maintenances

- Subscribe to our service contract to benefit a fast & guaranteed support and help in the future
- A technical problem encountered ? It's 75% of the time solved in 1 hour
- A question about Legal Reporting ? We certainly have the answer, do not hesitate to contact us
